

NNU uses the Turnitin software to help encourage academic integrity. Often, instructors set up Turnitin assignments to be submitted either through the Turnitin website or through a Canvas course. If your instructor is not using Turnitin but you would like to check your own work, you can follow these directions.

Part A - Creating a Turnitin Account

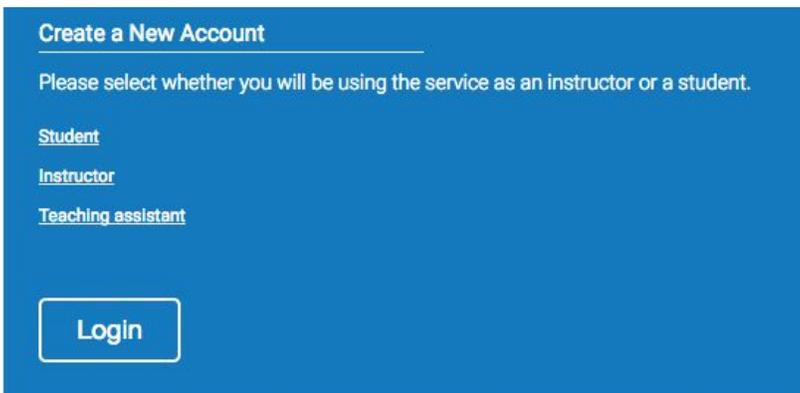

Step 1: Using a browser such as Chrome or Firefox, got to www.turnitin.com

Step 2: Click Create Account

Create Account | Log In

Step 3: Select Student under the Create a New Account section

Create a New Account

Please select whether you will be using the service as an instructor or a student.

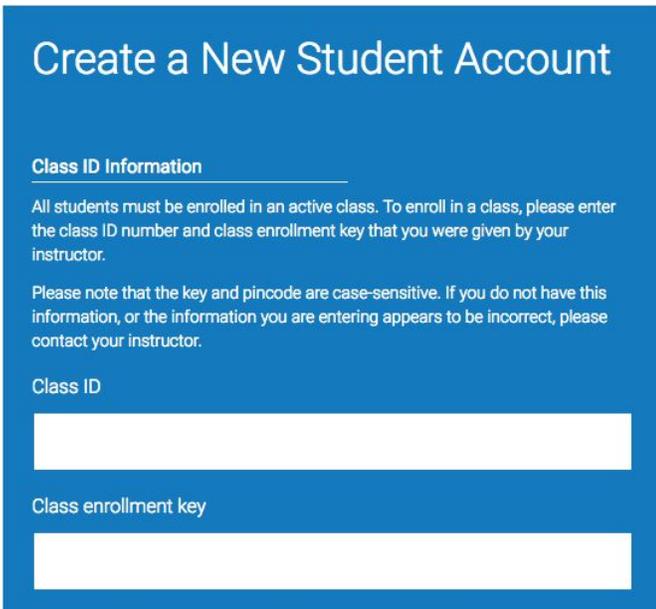

[Student](#)

[Instructor](#)

[Teaching assistant](#)

Login

Step 4: Enter **15971022** for the Class ID and **1234** for the Class enrollment key

Create a New Student Account

Class ID Information

All students must be enrolled in an active class. To enroll in a class, please enter the class ID number and class enrollment key that you were given by your instructor.

Please note that the key and pincode are case-sensitive. If you do not have this information, or the information you are entering appears to be incorrect, please contact your instructor.

Class ID

Class enrollment key

Step 5: Enter your personal information in these boxes

User Information

Your first name

Your last name

Display names as

- First name (Space) Last name (example: John Smith)
- Last name (Space) First name (example: Smith John)
- Last name(No space)First name (example: SmithJohn)

Step 6: Enter you NNU email address in the next section

Email address

Confirm email address

Step 7: Enter your password and select a security question and answer. I would suggest that it is the same password that you use to log into Canvas so it is easier for you to remember.

Password and Security

Please keep in mind that your password is case sensitive (for example, paSS123 would be different than pass123), must be 6-12 characters long, and contain at least one letter and one number (for added security).

Enter your password

Confirm your password

Next, please enter a secret question and answer combination. You will be asked for this combination if you ever forget your password and need to reset it.

I Agree -- Create Profile | [I Disagree -- Cancel Profile](#)

Step 9: Click I Agree -- Create Profile

You only need to set up an account once. See Part B for directions on how to submit a paper.

Part B - Submitting a Paper to Turnitin

Step 1: Log in with your email address and password.

Step 2: Click the link to the Generic Turnitin Assignment class

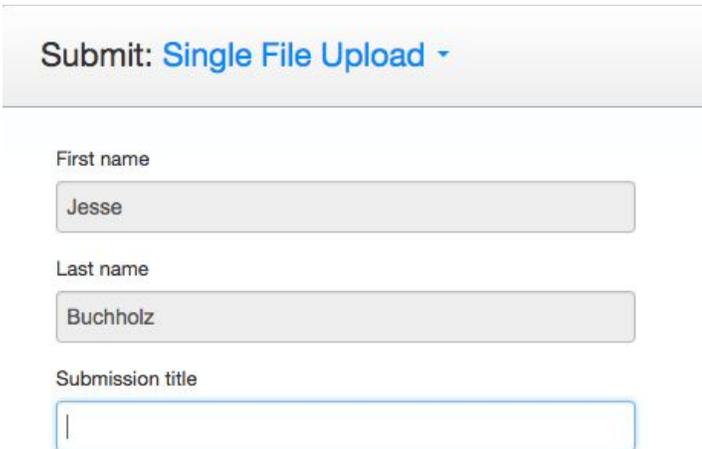

Step 3: Click Submit

Step 4: Keep Single File Upload as your choice for submission method.

Step 5: Make sure your name is entered and enter a title for the submission.

A form for submitting a paper. At the top, it says 'Submit: Single File Upload' with a dropdown arrow. Below this are three input fields. The first is labeled 'First name' and contains the text 'Jesse'. The second is labeled 'Last name' and contains the text 'Buchholz'. The third is labeled 'Submission title' and is currently empty.

Step 6: Browse for a file or upload from a specific place.

[What can I submit?](#)

Choose the file you want to upload to Turnitin:

Step 7: Click Upload

Step 8: On the Submission Preview page, look to make sure you have uploaded the right paper, then click Confirm.

Submit: Single File Upload STEP ●●●○

Please confirm that this is the file you would like to submit...
